## EXPERIENCE

### Walgreens Pharmacy — *Pharmacy Technician*

May 2019 - PRESENT

Primary tasks involved inventory maintenance including ordering, out of stock fills, and partial fills. Also I called doctors and insurance companies daily Data entry, filling, and selling of prescriptions. Also resolved customer's questions that did not need the pharmacist

### Walgreens Pharmacy — *Designated Hitter*

May 2015 - May 2019

The designated hitter position is limited to 1-2 people per store that are trained to work in the pharmacy, photo department, or any front end tasks

### Harmony Ridge — *General Help*

June 2013 - Sept 2015

At a family run campground, I cleaned cabins, bathrooms, and ran the kitchen in the arcade.

## EDUCATION

### Rutgers University, Newark — *Computer Science*

Graduated 2021

### Rutgers University, Newark — *Math Minor*

Graduated 2021

## PROJECTS

### iCiMs Job Application Manager — *Senior Project*

This was a web app built for a real company client that allows its users track all their job applications in a centralized place. It was built with a Bootstrap frontend and an Express and MongoDB backend. I was personally responsible for the main interactive page.

## SKILLS
